

Hi Theresa,

I just wanted to let you know what a wonderful and professional experience I had yesterday with Katy. I brought a customer to your property and she handled us with kindness and warmth, very knowledgeable on your property and full off passion and enthusiasm. When we left I wanted to rent an apartment from her!!

I have been in this business for many years and on a daily basis I work with all different leasing agents with very different techniques and mannerisms. Katy is a gem...she is the best of the best and I just wanted to let you know.

Make it a great day,
Shelley
