

Good Morning!

First, thank you SO much for sending David over on Saturday to fix our closet doors and inform me of the light switch situation! It was SO helpful and really nice of you to set it up so shortly after we talked. You, here at Waterside, have been the most efficient property management company I have ever dealt with and thank you so much for that!

We will be in as soon as possible to sign our new lease. Joe should be in tomorrow or Wednesday and I will be in asap because I work in Scottsdale and have a hard time being back before 6 :(otherwise I promise to stop in on Saturday.

Thank you so much for your kindness and Trish for always knowing what apartment I live in when I come visit- it is SO friendly and nice!

Best Wishes,

Sarah
